

Impossible Theatre

## Requirements

### Costs:

- £600 / €800 per day, inclusive of:
  - All fees, costs, insurances and overheads
  - Up to one hour each way journey time
  - Set up and de-rig time
- Plus Transport, calculated at a rate of £1.00/ €1.35 per mile from HD9
- Plus Accommodation if required (2 x single)

### Contact

- Recommended 2 x 3 hour sessions per day
- Presenting a series of 12 minute shows (4 per hour)
- To an audience of 4-5 people per showing (absolute max 8 people)

### Power

- 230v mains power supply within 10m. Approx 5amp drawn. 16amp socket preferred (13amp socket acceptable).
- Otherwise we will bring our own small quiet petrol generator for our power. Please check if this is allowed by local regulations.

### Space

- Vehicle access to the site for towing vehicle and ChromaVan.
- Nearby vehicle parking for the duration of the event as access may occasionally be required to tools / equipment / supplies during the day.
- Space for the ChromaVan to set up. It's the size of a normal caravan.
- Plus room for our gazebo's, table/chairs etc, we're flexible but assume about 6-10 metres square

### Set-up Time

- 1 hour minimum set up time
- 45 min get out time

### Security

- Overnight security or secure parking if needed

And that's it! We aim to be a self-sufficient, low-maintenance outfit.
